RE: CDPHE Review of Groundwater Compliance Action Plan (GCAP) for the Slick Rock, Colorado Sites

Dear Don:

The Colorado Department of Public Health and Environment (CDPHE) has completed its review of the Groundwater Compliance Action Plan (GCAP) for the Slick Rock, Colorado Sites. All comments that we had related to the Slick Rock Site Observational Work Plan have been resolved to our satisfaction. Therefore, this letter is intended to provide you with our formal agreement on the proposed Compliance Strategy for the North Continent and the Union Carbide sites near Slick Rock, Colorado.

I thank you for the opportunity to provide our input to this effort. Please call me at (303)692-3387 or Wendy Naugle at (303) 692-3394 if you have any questions.

Sincerely,

Jeffrey Deckler  
Remedial Programs Manager
