SUBJECT: NRC FORM 241 CLARIFICATION

Mr. Hansen:

This letter is in reference to your NRC Form 241 approval letter dated, June 18, 2002, which specifically granted approval for proposed reciprocity activities in NRC jurisdiction under the authority of the general license pursuant to 10 CFR 150.20 during the calendar year 2002.

We indicated in the referenced letter that while you are working under reciprocity in NRC jurisdiction, you are required you to comply with NRC regulations, as described in 10 CFR 150.20. Section 150.20 (b)(1) states that an NRC Form 241 shall be filed each calendar year.

However, on your NRC Form 241 Clarification dated November 5, 2002, for item (1), you requested work dates which extended through January 15, 2003. We will not be able to grant reciprocity through this date. Your approval will only be granted through December 31, 2002.

If you require reciprocity for CY 2003, then you must submit NRC Form 241, "Report of Proposed Activities in Non-Agreement States, Areas of Exclusive Federal Jurisdiction, or Offshore Waters," 4 copies of your Agreement State specific license, and the fee specified in fee Category 16, 10 CFR 170.31 (currently \$1400). This filing must be made to the NRC for the first time in any calendar year that such activities are to occur. NRC Form 241 may be found at [www.hsrdo.ornl.gov/nrc/special/fr241.pdf](http://www.hsrdo.ornl.gov/nrc/special/fr241.pdf).

If you have any questions concerning filing for reciprocity or the changes which were made to your NRC Form 241 Clarification dated November 5, 2002, please contact me at (817) 276-6552.

Sincerely,

/RA/

Rachel S. Browder, Health Physicist  
Nuclear Materials Licensing Branch

Enclosure: As stated
