Subject: Re: LTR-NRC-02-53 and PRM-50-76

OK,

Too bad your scientists do not discuss these matters at ANS meetings, etc. I am really intrigued by the path from a Zr test in oxygen to PWR licensing.

I'm working on a Petition that introduces Duty of Disclosure. That may assist the Public in gaining timely access to facts that impact decisionmaking (like whether to move out of Manhattan).

Leyse
