November 14, 2002

Genesis Environmental Consulting, Inc.
ATTN: Brian Edwards
Radiation Safety Officer
11400 West Baseline Road
Little Rock, AR 72209

SUBJECT: NRC FORM 241

Mr. Edwards:

This acknowledges receipt of your initial NRC Form 241 dated November 8, 2002, and the \$1400 application fee, submitted to the NRC Region IV office to report proposed activities in NRC jurisdiction under the authority of the general license pursuant to 10 CFR 150.20.

Your Agreement State license is recognized as valid for the proposed use of licensed material at the location listed on your NRC Form 241. Please be aware that working under reciprocity in NRC jurisdiction requires you to comply with NRC regulations, as described in 10 CFR 150.20.

The calendar year 2002 RTS Reference number for your proposed work location is:

RTS Reference Number	Proposed Location of Work
1128	Washington County, MO; ± 6 miles east of Richwoods on Missouri Highway H near Turkey Creek

Please refer to this RTS Reference number in any future communications. You must make changes to the initial NRC Form 241 when you propose to add locations of work, add or delete dates of work, change work site contacts, use different radioactive materials, or elect to perform additional work activities within NRC jurisdiction and you must provide these changes to this office.

Please note, all notifications of work activities or changes to the information submitted on the initial NRC Form 241 must include, as a minimum, the following information: licensee name, agreement state license number, location of work, dates of work, and the signature of the RSO or designee.

Information submitted on your NRC Form 241 must be specific regarding the location and dates of use. You are required to notify this office three days prior to each of the proposed generally licensed activities. However, given the nature of your licensed activities, the time requirement specified in 10 CFR 150.20(b)(1) for the filing of NRC Form 241 clarifications has been waived, provided that you:

- A. Inform this office by telephone or facsimile of work activities or changes to the information submitted on the initial NRC Form 241, and
- B. Receive oral or written authorization for the activities from this office, and
- C. Submit written confirmation and the check for the fee payment, if applicable, within 3 days after the notification.

In accordance with 10 CFR 2.790 of the NRC's "Rules of Practice," a copy of this letter, and your response (if any) will be made available electronically for public inspection in the NRC Public Document Room or from the Publicly Available Records (PARS) component of NRC's document system (ADAMS). ADAMS is accessible from the NRC Web site at <http://www.nrc.gov/reading-rm/adams.html> (the Public Electronic Reading Room).

Enclosed is an NRC signature copy of your NRC Form 241. We appreciate your cooperation. If you have questions concerning this letter or other aspects of working in NRC jurisdiction under reciprocity, please contact me at 817-276-6552.

Sincerely,

/RA/

Rachel S. Browder, Health Physicist
Nuclear Materials Licensing Branch

Enclosure: As stated
