FOI/WFA REQUEST
Case No: 2003-0065
Date Rec'd: 11-13-02
Action Off: B. Tolson
Related Cases:

We are an engineering consulting company for nuclear power generation based here in Los Altos, California. One of our principal/project manager, Mr. Dave Leaver is working on a project for one of our clients and would like to request a document. We did a search on the PDR but the document was not available. The documents title is: "Memorandum from H.R. Denton to R.J. Mattson, "Schedule for Resolving and Completing Generic Issue 82 - Beyond Design Basis Accidents in Spent Fuel Pools," dated December 7, 1983. DCS Accession No. 8312270117.

We appreciate your immediate response and please let us know what the cost is for this request.

Thank you.
