U.S.A.

Dear Dr. Richard A. Meserve,

I would like to inform you that I have just resigned from President of JAERI and became an adviser to the President of JAERI on August 26, 2002.

May I take this opportunity to thank you for your support and courtesies you have given to me over the past years.

I am also pleased to inform you that my successor is Dr. Shinzo Saito, former Vice President of JAERI. I am sure that you will grant him the same goodwill and assistance as you did for me.

With my best regards and hopes for a continuing close constructive relationship among us, I remain.

Truly yours,

A handwritten signature in black ink, which appears to read "Kenichi Murakami", is positioned above the printed name.
