Subject: Review of HI-STORM TSAR (HI-951312)

Dear Mr. Deligatti:

This letter will confirm that per our earlier discussions during the NRC/Holtec meeting of April 23, 1996, that Holtec is requesting the NRC suspend its review of the above referenced cask licensing submittal. We are requesting this suspension so that Holtec may incorporate the applicable NRC Request for Additional Information from Revision 3 of Holtec's HI-STAR 100 submittal (reference: NRC Docket Numbers 72-1008 and 71-9261) into our HI-STORM submittal.

Very truly yours,

Mark Soler
