Bill:  
Need some pertinent information:  
how long?  
what dates are you looking at?  
Would you like conference room or someone's office?

Could you schedule a meeting?

Topic: Proposed Office of Government Ethics letter on Yucca Mountain post employment restriction.

The attendees are John Linehan, Janet Schlueter, Jack Strosnider, and Bill Brach (or their representatives).

Also to be invited are John Szabo and Trip Rothschild from OGC.

Put it on my calendar as well.

Thanks
