Re: *GANE's application for security clearances*

Dear Judge Moore,

I am writing to request clarification regarding the status of GANE's application for security clearances for myself, Diane Curran, and Dr. Edwin Lyman. The application was filed on June 7, 2002. More than eight weeks have passed since September 4, 2002, when the Commission issued CLI-02-19, which clarified that the Board should apply the regulations in Subpart I of 10 C.F.R. Part 2 and 10 C.F.R. § 2.744(e) to the security clearance applications.

We are aware that it may take some time for the NRC to process our security clearance applications, and therefore are somewhat concerned that we have not yet received any further instructions from you regarding the submission of forms or fees. We would also like to be sure that you are not waiting on us for some further submission of which we are unaware. Please let us know whether this is the case.

Sincerely,

*Glenn Carroll*
