The purpose of this modification is to extend the subject contract from September 30, 2002 to November 30, 2002, at no increase to the current contract ceiling amount of \$535,306.24, to allow for the continued maintenance of the Hewlett-Packard and PC-based versions of the Bibliographic Retrieval System (BRS), as reflected in the contractor's letter dated September 24, 2002, which is attached hereto and made a part hereof this modification. In addition, this modification incorporates a four month option period which may be exercised by the Government, to further extend the subject contract from November 30, 2002 to March 31, 2003, pending the availability of Fiscal Year 2003 funds, from \$535,306.24 to \$555,306.24, which shall be billed and paid by the Government at the fixed hourly rates currently reflected under the subject contract. Should the NRC elect to exercise the optional requirement, a modification will be issued by the Contracting Officer. The contractor is hereby advised that any work undertaken in excess of the obligated amount of \$535,306.00 is done so at the contractor's sole risk.

Accordingly, the following changes are hereby made:

1. Under Section F - Deliveries or Performance, Paragraph F.4 - Duration of Contract Period, is hereby deleted in its entirety and substituted in lieu thereof the following:

"F.4 DURATION OF CONTRACT PERIOD

The ordering period for this contract shall commence on January 1, 1997 and will expire on November 30, 2002. The term of this contract may be extended by the Government for an additional four month period "

This modification does not obligate any funds.

All other terms and conditions under this contract, including the ceiling amount of \$535,306.24, remains unchanged.
