SUBJECT: REQUEST FOR CRITICAL NEEDS FUNDING FOR JOB CODE G6589

I am requesting critical needs funding for Job Code G6589, "NCRP Study on Radiation Protection Issues" of \$15,000 for the first three months on FY 2003. These funds will be sufficient to fund the grant through December 31, 2002. My recommendation is based on the following:

- The projects completed thus far are of sufficiently high quality to proceed.
- This grant represents NRC's shared cost for support of this important national radiation protection group.

The reports prepared by the NCRP are essential and fundamental in providing a technical basis for NRC/EPA regulations and standards in radiation protection. This grant extends until September 30, 2004 for an amount of \$170,000 (\$50,000 for FY 2002, \$60,000 for FY 2003, and \$60,000 for FY 2004).
