November 10, 2002

Dear Mr. Gesar,

It is interesting to me that  
the people who are so opposed  
to the LES Uranium Plant  
do not live here and are  
"hippies who never got paid".

Strang looking folk; one does  
not wear shoes in winter.

I trust all will go well  
to bring the facilities to  
our area.

Thank you,

Eleanor W. Ford
