Oct. 28/02.

To the U.S. Regulatory Commission;  
As a concerned resident of the Hartsville  
Area surrounding Smith Co. I would like  
to voice my opposition to the building of  
the proposed Hartsville, TN site.  
My concerns to this Uranium plant are the  
disposition of depleted uranium left over after  
processing. We don't have any containment or  
certified waste facility. Any leakage from tanks  
stored on site would endanger our fertile farmland  
surrounding the proposed site. Many springs flow  
underground throughout this area that even a small would  
contaminate the water & poison our livestock  
& forage crops. This adverse effect would
