Reference: Certificate of Compliance Number USA/5984/B(), Revision Number 5,
Docket Number 71-5984, Expiration Date: March 31, 1995.

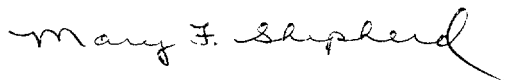

Dear Mr. Chappell:

This letter to is a submittal request for the above referenced package to be renewed for a five year period. There have been no revisions to the package design since the last application and revision. There have been no revisions to our Quality Assurance Program Plan (Approval No. 0122, Revision 4) or procedures for shipment, operation, maintenance, repairs, etc., since the last application for this package.

If we may provide additional information, please do not hesitate to contact us.

Sincerely,

J.L. SHEPHERD AND ASSOCIATES
