Subject: Updated Response to NRC Security Order for Decommissioned Plants

On May 23, 2002[1] the NRC Staff issued an Order modifying the Yankee Nuclear Power Station's (YNPS') current license to require compliance with the interim safeguards and security compensatory measures. Yankee Atomic Electric Company (YAEC) provided its initial response to the Order in Reference (b) and a followup response in Reference (c). In accordance with the Order, this letter provides notification that YAEC has achieved full compliance with the requirements in Attachment 2 of the Order.

In accordance with 10CFR2.790, a copy of this cover letter may be placed in the NRC Public Document Room.

If the NRC Staff should have any questions regarding this submittal, please contact Mr. J. A. Kay, Principal Licensing Engineer at (978) 568-2302.

Sincerely,

YANKEE ATOMIC ELECTRIC COMPANY
