Dear Mr. Odman:

I am with the United States Nuclear Regulatory Commission, which regulates Aerotest Operations, Inc., a U.S. subsidiary of Autoliv, Inc. We are interested in knowing the citizenships of the directors and executive officers of Autoliv, Inc. (for example, Sweden, United Kingdom, United States, etc.). Could you please supply me with this information as soon as it is convenient? Thank you for your attention.

Sincerely,

Steven R. Hom, United States Nuclear Regulatory Commission
