

PVNGS 2002 LSRO License Examination

Written Examination Comments

Written Examination Comments for Clarification during the exam

Question #	Comment	Response
17	Does failed high mean “high-high”?	Failed high means top of the range.
23	Borated water is not normally used to makeup for evaporative losses.	Comment noted.
22	Distractor B has a typo, spelling for “sight” should be “site”.	Comment noted
49	Typo on spelling of acronym for milli-rem on all the choices. Should be mRem vs Mrem.	Comment noted

There were no additional post exam comments.
