MEMORANDUM TO: Recipients of letter from Annette L. Vietti-Cook
To Norm Cohen regarding Director's Decision
DD-02-03, dated December 4, 2002

SUBJECT: REVISION TO LETTER

Please replace the letter previously sent from NRC Secretary Annette L. Vietti-Cook to Mr. Norm Cohen with the enclosed letter from Acting Secretary J. Samuel Walker. The original letter informing Mr. Cohen that the Commission desired not to take review of Director's Decision DD-02-03 did not include the Oyster Creek Facility in the reference section of the letter. This was a drafting oversight.
