Contract No. NRC-04-98-041 Modification No. 14 Page 2 of 2

The purpose of this modification is to extend the expiration date of the contract until February 2, 2003, at no additional cost or obligation to the Government, to allow the contractor to ONLY complete the data reduction and analysis work, per the contractor's letter dated October 28, 2002. It is the agency's understanding that no work has been performed by the contractor from the expiration date of the contract until the acceptance of this contract modification extension. Accordingly, the contract is hereby modified as follows:

Under Section F.7 entitled "DURATION OF CONTRACT PERIOD (MAR 1987)," the contract's expiration date has been extended from "November 2, 2002 through "February 2, 2003." Therefore, the sentence under this section is revised to read as follows:

"This contract shall commence on 11/03/97 and expire on 2/02/03."

All other terms and conditions of this contract remain unchanged.
