Dear Mr. Lohaus:

Please find enclosed finished copies of the latest suggested state regulations from the Conference for Radiation Control Program Directors:

Part A - General Provisions

Part D - Standards for Protection Against Radiation

Part G - Use of Radionuclides in the Healing Arts

Part J - Notices, Instructions and Reports to Workers; Inspections

All of these Parts were approved by the CRCPD Board of directors at their November 21, 2002 board meeting. CRCPD now requests concurrence from your agency. For ease of reading, an unmarked copy of Part D is included along with a mark-up copy that indicates the extensive changes made. Part G was revised so extensively that the 1995 version is not referenced in the revised 2002 Part G. All revisions are addressed in the 2002 Rationale.

CRCPD requests that a written response relative to Federal Concurrence by your agency be submitted within 60 days of receipt of this correspondence.

Thank you for your attention to this important matter.

Sincerely,

Ron Fraass
Executive Director, CRCPD
