Subject: Certificate of Compliance No. 5862

Dear Mr. MacDonald:

Attached is a document which consolidates the original application for the subject certificate and all supplements. It is submitted in response to your letter of 16 January 1985 which asked for additional information to support our request dated 17 December 1984 to renew and redesignate the certificate. As a result of a conversation I had with Mr. Odegaarden on 12 June regarding the renewal and redesignation of another certificate we hold (No. 4888), we have decided to withdraw our request to redesignate the subject certificate and wish only to renew it at this time. If you have any questions, please call me at (301) 252-8220.

Sincerely,

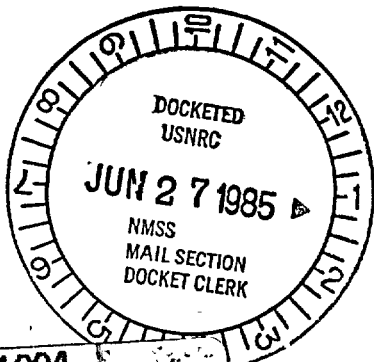

John F. Vogt  
Project Manager
