

DEPARTMENT OF THE AIR FORCE
AIR FORCE TECHNICAL APPLICATIONS CENTER

13 JUL 1995

MEMORANDUM FOR HQ AFMOA/SGPR
ATTENTION: CAPT NOEL MONTGOMERY
US NUCLEAR REGULATORY COMMISSION
ATTENTION: MATERIALS AND TRANSPORTATION BRANCH
IN TURN

FROM: HQ AFTAC/CC
1030 S. Highway A1A
Patrick AFB FL 32925-3002

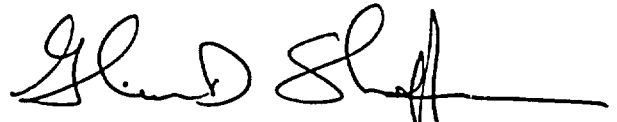

SUBJECT: Renewal of Certificate of Compliance (CoC) #5862

1. Please renew CoC #5862 for radioisotope thermoelectric generator type Sentinel 100F series.
2. There have been no changes in design or procedures associated with this package since the previous submission. However, we do request the certificate be amended to reflect the following change of address:

HQ AFTAC/SEG
1030 S. Highway A1A
Patrick AFB FL 32925-3002

3. Should you require any further information regarding the renewal of CoC #5862, please contact my Radiation Safety Officer (RSO), Maj Mark Tiedemann at (407) 494-4222. Should he be unavailable, my alternate RSO, Mr. George McAlister, can be contacted at (916) 643-2357. Mr. McAlister's address is:

Technical Operations Division/SE
6000 Patrol Road, Bldg 1080
McClellan AFB CA 95652-1709
