OFFICE OF THE
INSPECTOR GENERAL

September 3, 1998

The Honorable Christopher J. Dodd
United States Senate
Washington, DC 20510-0702

Dear Senator Dodd:

In the September 1, 1998, letter, which you co-authored with Senator Joseph I. Lieberman and Congressman Sam Gejdenson, you asked the Office of the Inspector General to review the NRC's handling of a number of complaints of harassment and intimidation by former employees at Millstone Nuclear Power Station.

This office will conduct an investigation into the issues you raised. Senator Lieberman and Congressman Gejdenson have been apprised of our intention by separate correspondence. We will keep you informed of our progress. Questions concerning this matter can be addressed to James E. Childs, Assistant Inspector General for Investigations, at (301) 415-5925.

Sincerely,

Hubert T. Bell
Inspector General
