OFFICE OF THE  
INSPECTOR GENERAL

The Honorable Sam Gejdenson

Dear Mr. Gejdenson:

In the September 1, 1998, letter, which you co-authored with Senator Joseph I. Lieberman and Senator Christopher J. Dodd, you asked the Office of the Inspector General to review the NRC's handling of a number of complaints of harassment and intimidation by former employees at Millstone Nuclear Power Station.

This office will conduct an investigation into the issues you raised. Senator Lieberman and Senator Dodd have been apprised of our intention by separate correspondence. We will keep you informed of our progress. Questions concerning this matter can be addressed to James E. Childs, Assistant Inspector General for Investigations, at (301) 415-5925.

Sincerely,
