Subject: Fwd: GA Presentation

Leslie,

The attached files are the slides that GA used during the 12/3 meeting. You have to right click and open in acrobat. They do not look right in the groupwise viewer.

also here is the NRLPO web page link. Nan gilles is responsible for updates. She has been having some technical difficulty lately so there is a back log of updates, but I did ask her to add a section under activities for GT-MHR so you can add the 12/3/01 meeting summary when RES signs it out.
