>Subject: Letter to NRC  
>  
>Dear Amy,  
>  
>Please find attached to this e-mail a pdf file containing General Atomics'  
>written comments on SECY-01-0207. A paper copy has been mailed but this  
>should assure that you receive our comments before the April 10th.  
>  
>I will be on travel this week and unavailable. Should you have any  
>problems opening the attachment, please contact Ludmila Vereschatsky at  
>(858) 455-4611 and she should be able to help.  
>  
>Thank you for your attention.
