Subject: TELECON W/GA RE GT-MHR

Gene Trager and I talked to Larry Parme of GA this afternoon. This was our first weekly conference call. Here are the highlights:

GA is finalizing the response to the May 13th letter from Farouk to Walt Simon re. plans for GT-MHR pre-application interactions. As you are aware, Arka! Shenoy is in Russia this week and will be back next week. Larry expects that the formal GA response will be ready by 7/22. He assured us of an electronic copy as soon as it is signed off.

Regarding the GT-MHR pre-application costs, once again we referred him back to the OCFO contacts, namely, Doug Weiss and Ellen Poteat.

We plan to continue these weekly communications with GA on Thursday at 1:00 PM.
