Re: North Anna Power Station (Registration No. 40726) Portable Concrete Plant Change in Ownership

Dear Mr. Darton:

On behalf of Williams Concrete, Dominion submitted a Form 7 air permit application for a portable concrete batch plant at North Anna Power Station (North Anna) dated November 9, 2002. The plant has recently been purchased from Williams Concrete by Becon Construction Company. Attached are the first two pages of the Form 7 showing Becon Construction Company as the owner of the portable concrete batch plant. The scope of the project remains the same as was described in the original application submittal.

If you have any questions, please contact Andy Gates at 804-273-2950 or Andy_Gates@dom.com or Jeff Zehner at 804-273-2920 or Jeffrey_Zehner@dom.com.

Sincerely,

Pamela F. Faggert

Would you be interested in a DEQ Pollution Prevention (P2) site visit to discuss the potential benefits of implementing P2 practices at your facility? Please note that there is no charge for this service and that the site visit is not limited to air pollution issues. Site visits can yield air/water pollution or waste minimization recommendations that can benefit your facility. The purpose of these visits is not to assess compliance with applicable regulatory requirements.

Yes No

If yes, would you prefer the P2 site visit to occur:
