Subject: Crystal River Unit 3 – Rescind Request for Exemption from Certain Requirements of 10 CFR 55.59

Reference FPC to NRC letter, 3F1102-07, dated November 19, 2002, "Crystal River Unit 3 – Request for Exemption from Certain Requirements of 10 CFR 55.59" (TAC NO. MB6747)

Dear Sir:

Florida Power Corporation (FPC) requested the referenced exemption as a contingency for a possible labor action associated with the negotiations with its bargaining unit. As discussed in teleconferences between members of FPC and the NRC, FPC and the bargaining unit have successfully concluded the current labor negotiations and the requested exemption is no longer necessary.

This letter establishes no new regulatory commitments.
