Lynchburg, VA 24506-1646
(804) 522-6000

April 23, 1990

Mr. C. E. MacDonald, Chief
Transportation Branch
Division of Fuel Cycle & Material Safety
United States Nuclear Regulatory Commission

Washington, D. C. 20555

References: (1) Certificate of Compliance, USA/6206/AF,
Babcock & Wilcox "Model B", Docket 71-6206,
Expiration Date May 31, 1990

Gentlemen:

The B&W Fuel Company requests to renew the above referenced Certificate of Compliance for another five year period. The attachment to this letter is a consolidated application. There were five minor editorial changes made and all have been indicated by a side bar. Attachment I provides a breakdown of these changes. As requested, six copies of the revised application are being forwarded along with the supporting drawings. Note that there has not been any changes made to the drawings.

The application fee of \$150.00 is accompanying this request.

If you should need any further information regarding this application, please feel free to contact me at (804) 522-6202. Thank you for your consideration in this matter.

Sincerely,

B&W FUEL COMPANY
COMMERCIAL NUCLEAR FUEL PLANT
