MEMORANDUM TO: Donald A. Cool, Director  
Division of Industrial and Medical Nuclear Safety  
Office of Nuclear Materials Safety and Safeguards

FROM: Michael T. Lesar, Chief */RA/ by A W Shepard for M T Lesar*  
Rules and Directives Branch  
Division of Administrative Services  
Office of Administration

SUBJECT: OFFICE CONCURRENCE ON DIRECT FINAL RULE TO REVISE  
PARTS 40 AND 150 ON THE REPORTING OF SOURCE MATERIAL  
TRANSACTIONS (AH10)

The Office of Administration concurs, subject to the comments provided, on the final rule amending 10 CFR PartS 40 and 150 to require source material reporting with foreign obligations instead of source material of foreign origin. We have attached a marked copy of the package that presents our comments.

When this document is forwarded for signature and publication, please have your staff include in the transmittal package a 3.5-inch diskette containing the direct final rule and the companion proposed rule in WordPerfect. This diskette will be forwarded to the Office of the Federal Register and the Government Printing Office for use in typesetting the documents. Also, please include a copy of the Congressional letters on a diskette. This diskette will be forwarded to the Office of Congressional Affairs.

A Regulatory History must be created for this direct final rule after it has been published in the *Federal Register*. The Regulatory History should be created in ADAMS. In the profile of each document related to the Regulatory History, use the Regulation Identifier Number (RIN) as the Case/Reference number (RIN 3150-AH10). This will make it easier to combine all the documents into a package under ADAMS after the direct final rule has been published.

When forwarding this document for publication, please provide the ADAMS accession numbers for the direct final rule and the companion proposed rule.

If you have any questions concerning this matter, please contact Michael T. Lesar, Chief, Rules and Directives Branch, ADM, at 415-7163 (MTL) or Victoria Voytko, ADM, at 415-6075 (VNV).

Attachment: As stated
