Dear Mr. Chappell:

Packaging Technology, Inc. (PacTec) hereby submits this request for a Timely Renewal of the Certificate of Compliance (C of C) Number 9184, Revision No. 4, for the Post-Accident Sampling - 1 (PAS-1) transportation package. The current C of C expires on July 31, 1999.

PacTec is not requesting a "- 85" approval of the package with this Timely Renewal request. Furthermore, we do not anticipate requesting the "- 85" approval for the PAS-1 package based on the current market demand.

Very Truly Yours,

Packaging Technology, Inc.
