25. The application recites that administrative measures will be implemented To protect the public health and safety should the amendment be granted; however, in many cases, the administrative measures are not identified nor defined; hence, the application is substantially incomplete and should be rejected on this basis.

26. I authorize CCAM to represent my rights and interests in these proceedings.

27. CCAM's participation in this proceeding will materially aid the Commission in its consideration of the present license amendment.
