Requirements NRC v license
Start of century period
Last years of term + cond
What constitutes immediate period
Why not update requirements on approval in the limit?
Why limit on total time?

② See CP-151 part 20 24 hr NRC not update

✓ The STEHG requires not update directly to WIPES
but at old levels at old intervals
needs to be updated - will work w/ license

① License - Tech specs - requires adherence to
the Sea Turtle Rescue and Handling Guidelines
