Init	Time*	Item	Description
RM	1207	Relief	Assumed the duties of the Superintendent Shift Operations [1025]. Chris Pellerin assumed the duties of the Control Room Supervisor [1030].
RM	1310	Turtle	Received notification from Site Security that a healthy turtle has been rescued from the intake and transported to the Mariculture Center. The turtle is approximately 6 inches in diameter. The Natural Resources Unit Staff will identify the species and evaluate notification requirements to the National Marine Fisheries Service. NCR 59200 has been generated. UPDATE: The turtle has been identified by Mariculture Center Staff (E. Latimer) as a Land Turtle and no further action is required. The turtle has been released.
