Good Morning Mr. Bennett.

I am faxing a copy of a letter that we are sending to Agilent. It wraps up the last items to close action on both your earlier amendment request and your request to inactivate NR-0348-D-106-B. If possible, could you fax us a copy of your response? We will continue action, and finalize the certificates based on the information in the fax, pending final closeout upon receipt of the hard copy.

If you have any questions, please feel free to call us. I am available until Wednesday this week. After that, I will not be readily available, please contact Dr. John Jankovich at 301-415-7904.

Thank you.
Michele Burgess
