Subject: Further information for letter dated 10/19/01

Hi Michelle,

In my letter dated October 19, 2001 I wasn't able to provide reference to one of our supplier's NRC registries in response to question #5 (1990 Component: Reference to supplier plating process) due to the NRC web page being shut down. However, I've gotten paper copies of the registries and the numbers are as follows

CA0406S215S and CA-0406-S-214-S (printed as listed on the registries)

Thanks

David
