Dear Mr. Hickey:

Enclosed is a copy of the amended "Registry of Radioactive Sealed Sources and Devices Safety Evaluation of Device" Numbers **GA 0571-D-101-G, Lippke System, and GA 0571-D-103-G, Optimum 2000**, for distribution, as per requirements listed in All Agreement States Letter SP-96-026. This amendment reflects a name change only for the manufacturer, and thus only a change to the first page of each certificate. The same manufacturing and quality control procedures are in place as before.

If you should have any questions, please call me via telephone at (404) 362-2675, or via electronic mail at ejameson@mail.dnr.state.ga.us

Sincerely,
