Commissioner James D. Boyd
California Energy Commission
1516 Ninth Street, MS-34
Sacramento, California 95814

Dear Commissioner Boyd:

I am pleased to learn of your appointment by Governor Davis as the State Liaison Officer to the U.S. Nuclear Regulatory Commission (NRC) from the State of California.

The NRC looks to the Governor-appointed State Liaison Officer to provide a communication channel between the State and the NRC; to be the key person in the State to keep the Governor informed on regulatory, radiological public health and safety or other matters of interest to the Governor; to keep other officials within the State informed on regulatory and public health and safety matters as appropriate to their interests and/or responsibilities; and to provide NRC with information on particular issues.

We are placing you on special mailing and e-mail distribution lists so that on a regular basis you will receive copies of NRC documents and reports to keep you informed of matters that impact on States. Also, NRC conducts national State Liaison Officers' meetings every three years, and regional meetings on an as needed basis, to discuss matters of mutual regulatory interest.

Mr. William Maier, our Regional State Liaison Officer in the NRC Region IV Office located in Arlington, Texas, will be your main contact for routine communications at (817) 860-8267. In the event of his unavailability, please do not hesitate to call me at Headquarters concerning any questions you may have.

Sincerely,

/RA/

Paul H. Lohaus, Director
Office of State and Tribal Programs

Commissioner James D. Boyd
