Dear Ms Reed:

The US Department of Agriculture Graduate School (Graduate School) had an Interagency Agreement with your agency as of September 30, 2002. We understand that the agreement's performance period will expire on 31 July 2007. Unfortunately we are unable to provide you a contract number or other identifying data on the Interagency Agreement. But we feel that the you can probably obtain the needed identifying data by checking with the office that is responsible for Training or Human Resource Management.

This letter constitutes our request, pursuant to the Freedom of Information Act. Please provide us ---

1. A copy of the original Interagency Agreement.
2. A copy of all modifications, if any, to the original Interagency Agreement. Please advise us if there were no modifications.
3. Copies of all task orders, delivery orders, or any similar "calls" issued under the original award. Please advise us if there were none.
4. Copies of all Graduate School billings or other payment requests.

We are prepared to pay a reasonable fee to defray the cost of this FOIA request. Feel free to contact me any time, if you have any questions about this request; but advise us as soon as possible of the disposition of this request. Thank you for your courtesy on this request, and all past prompt responses to our FOIA requests.

Sincerely yours,

John Edward Murphy
