Mr. Adam Scheinman, Director
Office of Export Control Policy and Cooperation
National Nuclear Security Administration
U.S. Department of Energy

Washington, D.C. 20585

Dear Mr. Scheinman:

Enclosed is a letter dated January 9, 2003, from ConverDyn concerning XSOU8789/01. ConverDyn has asked that the DOE letter requesting assurances from EURATOM for the third shipment of 48 cylinders be amended to reflect changes in the shipment date and the ultimate consignee.

Please notify EURATOM that the departure date and the destination for the third shipment of 48 cylinders have changed. The shipment was scheduled originally to go to URENCO in February 2003; however, ConverDyn has been requested to ship 24 of the Cylinders to EURODIF and 24 cylinders to URENCO (approximately 196,800.0 kilograms to each facility) in January 2003.

As there is no change in the total quantity of material or consignees authorized, export license XSOU8789/01 does not have to be re-issued. If you have any questions, please contact the licensing officer for the case, Suzanne Schuyler-Hayes (telephone, 301-415-2333; facsimile, 301-415-2395; e-mail, ssh@nrc.gov).

Sincerely,

/RA/
