Subject: Fwd: March 27 public workshop

This workshop is the first day of Bob's vacation, so as a minimum Ann should attend. If the fee rule is out the door (and it should be), I should be able to go. Otherwise, it will be Diane and Ann. We will have to see where the fee rule is at that time to determine what can be discussed. Note that in the Commission paper the staff committed to hold the workshop and discuss each of Excelon's issues.
