Subject: Re: Revised agenda for 3/27 workshop

Amy,

Please make the following two changes:

1. Please put me on the agenda for the Annual Fee discussion instead of Ann Norris.
2. Under the Annual Fee agenda item, delete "Commencement of annual fee in 10 CFR Part 52". All of the annual fee requirements are in Part 171, including when those fees commence. Therefore, the commencement discussion will be included in the discussion of the Annual fee requirements in 10 CFR Part 171. You may want to change the first item to read: "Annual fee requirements in 10 CFR Part 171, including commencement of annual fees for Part 52 combined licenses."

Based on the pre-meeting this morning, I made minor adjustments to the agenda (attached). Please verify the names associated with the following presentations so I can go final with the agenda.

Operator staffing - D. Trimble (C. Goodman?)
Annual Fees - A. Norris (G. Jackson?)
S3/S4 Rulmaking - D. Allison (E. Benner?)

Thanks,
Amy
