I am assuming TAC K81256. Let me know if that TAC is not right. Thanks for your help.

The following hours are billable for PBMR (Exelon) for the period starting @ Mr. King's appointment to week ending 6/1/02:

4/3/02 - 4hrs

4/19/02 - 4hrs

5/16/02 - 4hrs

12 hours total = K81256
