HI WALT...I'M REACHING BACK...MAYBE TOO FAR TO BE HELPFUL...AN F-102
CRASHED ON NORTH FT. LEWIS, WA SEVERAL YEARS AGO...AS I RECALL THE PILOT
WAS AIDE-DE-CAMP TO THE LOCAL CG AT McCHORD AFB, AND WAS PREPARING TO
RETURN TO SQUADRON DUTY...HE HAD ONLY A F

EW HOURS IN THE AIRCRAFT, HAD A FLAME OUT, WENT THROUGH A NUMBER OF
FAILED AIR START PROCEDURES, WAS TRYING TO RETURN TO BASE AND REMEMBERED
A MILE LONG PARADE GROUND AT NEARBY (AND CLOSER) FT. LEWIS...AS HE
APPROACHED THE PARADE GROUND THERE WERE TROO

P FORMATIONS ON THE FIELD...HE WAS DEAD STICK AND NO ONE ON THE GROUND
WAS AWARE OF HIS APPROACH...HE ROLLED LEFT...TOO LOW AND TOO LATE...AND
CRASHED THE AIRPLANE BEHIND BARRACKS IN AN UNPOPULATED WOODED AREA...THE
McCHORD NEWSPAPER HAD A DETAILED STOR

Y OF THE ENTIRE EVENT AND RELATED RADIO TRAFFIC, ETC. VERY BEST...DICK
