

9/9

EPR1 Graphite  
P2-3 3<sup>th</sup> P - notes that when replaceable reflector not  
changed out in time, it created problems in the past - maybe  
license condition on how often things need to be replaced is  
needed  
P2-4 - table - what is EDND?  
P2-5 tail of graphite sleeves - is this being proposed for  
RBMK to relieve stresses?
