Subject: RESCHEDULED - Meeting to discuss PBMR core structures

Per the attached e-mail, I am arranging a meeting between SRXB, EMEB and EMCB to discuss review responsibilities regarding PBMR graphite components.

~~The meeting will be held on Wednesday, January 16 from 1:30 - 2:30 in room O10-B2.~~

Due to staff availability this meeting has been re-scheduled.

The meeting will be held on **January 22, 10:00 - 11:00 in room O12-B4.**

Gary,

agreed - who will set it up?

I would like your views on the technical issues.

Jim,

I think that you guys need to be involved if RES and DOE start a testing program.

Jack,

We should ask our B/C's to get together to figure out who will review what parts of PBMR ... where does the "core" end and the "structures" begin...
