Dear Mr. Jakoby:

Enclosed is a letter dated December 17, 2002, from the Oak Ridge Institute for Science and Education (ORISE) providing the NRC with the results of analyses of samples collected at the Royersford Wastewater Treatment Facility (RWTF). Reed bed samples were collected by NRC and RWTF personnel on September 18, 2002. Secondary digester samples were collected on other dates by you and your staff. Results are within the range of those of similar samples collected in previous years. If you have any questions about these results, you may contact me at (610) 337-5040.

Thank you for your cooperation.

Sincerely,
