RE: Hearing in SLO as mentioned in Tribune 1/22

I wish to speak (5 minutes) at the March 24th (Mon) hearing in SLO at 1:30 PM. If that time is full than at 6:30 on 3/24 and if that time is full than 1:30 on Sunday March 23rd at 1:30 or finally at 6:30PM 3/23 Sunday.

I find it strange that you will start on Monday to register but move to the previous day if you get too many signed up. I guess this is to preclude citizens just walking in on Monday without registering---you'll just tell them to come in on the previous day---an interesting concept.

Could a citizen sign up at this time to speak on Sunday March 23 because they work on weekdays????? I have a number of friends that would like to participate but work for a living---I don't.

"Every gun that is made, every warship launched, every rocket fired signifies, in the final sense, a theft from those who hunger and are not fed, those who are cold and are not clothed. This world in arms is not spending money alone. It is spending the sweat of its laborers, the genius of its scientists, the hopes of its children. This is not a way of life at all in any true sense. Under clouds of war it is humanity hanging on a cross of iron." Dwight David Eisenhower
