Docket No. 70-143
Special Nuclear Material License No. SNM-124

SUBJECT: REQUEST FOR CLARIFICATION

Dear Judge Rosenthal,

I respectfully request clarification on what constitutes notification when more than one type of notification is being used.

Following is an e-mail I received Thursday afternoon (Jan. 16, 2003) from Sean Barnett of Shaw Pittman, LLP, the law firm representing Nuclear Fuel Services Inc., in the matter of "Applicant's Motion to Strike Part of Kathy Helms-Hughes Response to Nuclear Fuel Services, Inc.'s Motion to Deny Helms-Hughes' Request for Standing and Leave to Intervene."

My MacIntosh computer does not have the capability to translate Mr. Barnett's e-mail attachments, which I have told him before. Other parties to this proceeding -- i.e., Sharon Marks Perini of the Atomic Safety and Licensing Board, Jennifer Euchner of the Office of General Counsel, Daryl Shapiro of Shaw Pittman, and Diane Curran, attorney for Friends of the Nolichucky River Valley -- also were notified of the difficulty I have in reading their attached files and have since begun to paste the attached information into the body of their e-mails so that I might receive the information in a timely manner.

Mr. Barnett, on the other hand, tells me that his firm is keeping me on the e-mail distribution list just so I will know to expect to receive his motions via U.S. mail, and that if I would like, he could drop me from the e-mail distribution list.

In my opinion, I feel this gives the appearance that the NFS representative is meeting the regulations by filing in a timely manner, yet it deprives me of response time. I would appreciate it if you would level the playing field by asking Mr. Barnett to paste his information into the body of

the e-mail, as Mr. Shapiro and others do, or give me extra time to respond.

I respectfully request this panel to notice Shaw Pittman of my inability to translate their e-mail attachments.

Thank you for your attention in this matter.

Respectfully submitted,

Kathy Helms-Hughes

Subject: Re: NFS Response to Presiding Officer Question Concerning License Amendments

Dear Sean Barnett,

I keep telling you good folks that I cannot translate these attachments. Are you sending a copy of U.S. mail? If not, I would like a translation please. Remember, this is a Macintosh -- great for everything except Microsoft files. Thanks.

Kathy Helms-Hughes

Dear Ms. Helms-Hughes:

We are sending all of our filings by U.S. mail as well as e-mail. We are keeping you on the e-mail distribution list only so you know to expect to receive something in the mail. We can drop you from the distribution list if you would like.
